Providing academic  
excellence founded on  
Godly principles!

## Our Mission

It is our belief that educational practices are most effective when they are attuned to the way children develop and learn. Our philosophy has always been to educate the total child physically, mentally and socially while providing the same love and guidance we offer our own children.

Our goal has always been to start a Christian school in this community. With that in mind, the Equal Chance Christian Academy was developed and began with a Kindergarten Program for the 2002-2003 school year.

Equal Chance Christian Academy will provide a distinct educational alternative. Our primary objective and purpose is to train the student in the knowledge of God and the Christian way of life and give the student an excellent education. Academic excellence will be the cornerstone for ECCA. Highly qualified and dedicated teachers who demonstrate a caring concern for each child under their care will teach our Christian-character building curriculum.

## We Teach Reading in Kindergarten

Your child will learn to read in our enjoyable program. Beginning with letters and sounds, they progress to reading words, sentences, and stories in their own reading books.

## Get Your Child Off to a Good Start

Besides reading, your child will learn simple arithmetic and good writing skills that will give him or her a head start in elementary grades. Children also develop good habits and social skills through daily experience. Equal Chance Christian Academy will provide a solid academic foundation in the basic fundamentals of learning. Each student has close, personal contact with well-qualified teachers who are prepared to give each student a thorough scholastic background.

## Low Tuition

Tuition is based on a 10-period pay plan. We will give a 10% discount of full payment, if annual tuition is paid before the first day of class. This is the equivalence of one month's FREE tuition.
